MAGICAL MUZZLES and MANES

Gentle Hearts, Magic Moments ™

We visit groups & facilities assisting *individuals of <u>any age</u>* who are experiencing mental, emotional, cognitive, or physical challenges, or who may be experiencing or have experienced a transition in health or lifestyle.

Our mission is to facilitate magical moments, *and* to educate.
Our animals offer the positive benefits that a gentle caress from the softest of muzzles, or a happy wagging puppy tail can provide to individuals needing a little "magic" in their lives...a few magic moments of sheer distraction!

We welcome opportunities to participate in community events and with community organizations!

We customize our visits to your individual needs.

We do not remember days; we remember moments.
